**You are in our prayers and we hope this finds all of you healthy.**

**Please know that this is a very challenging time for us as well as for you. Please take care of your health, get some fresh air every-day, take a walk outside and practice good social distancing by staying home as much as you can. Remember, we are all in this together and we will come out on the other side better and more understanding of the world around us.**

**I know you are aware that Keepers Corner has closed temporarily due to the "Stay Home-Stay Alive" order given on March 23, 2020. We understand that this is a hardship for all of us, but we do feel that closing the store will help keep our customers, staff, vendors and community healthy. If you watch the news at all you will see that social distancing has been proven to slow the spread of this virus. It is important that we all do our part.**

**We would much rather be open and enjoying your company and the company of our customers, but until the Governor gives the all clear we will remain closed. I am losing sleep over the closure because I know that many of you depend on your sales to supplement your income, BUT I also want all of us to be safe and healthy.**

**Please, if you need to contact us, or need additional information, you can do so by emailing [keeperscorner@charter.net](mailto:keeperscorner@charter.net) or calling us; Bonnie-541-891-2662, Scott-541-891-6456.**

**We go to the store every couple of days to check on the premises and pick up the mail. We had our alarm company technician come by to check the alarms and he replaced a few batteries to keep everything up to date.**

**We have moved all of the live plants into the front window and I am keeping one of the furnaces on at a low heat to make sure the plants are taken care of. The plants have all been watered and still look very healthy.**

**I have had some of you ask about rent. You may mail it in or keep your rent until after we open. NO ONE will be charged a late fee for the time we are closed.**

**Six-foot-long hugs to you all!!!**
