It would take several pages to list all of the new, and "old" vendors that have joined us, so for now, just let us say "WELCOME" to "ALL" of you. We appreciate all of you and your willingness to help us get this business up and off the ground.

We are so excited about the way the store is filling up, AND the sales for the month. The customers from Crafters Market are finding us as are many new customers.

We had a fantastic "Open House" on the 20<sup>th</sup>. We appreciate all of you that attended and those that brought goodies to help with the refreshments.

Customers are commenting on the bio sheets so we would like to leave them up for a while yet. If you do not have one please see Scott, Bonnie or Cora and we will get one to you.

Please do not hesitate to ask questions if you have them. We want your experience in Keeper's Corner to be a great one.

***Scott's Thoughts:** Bonnie can easily remember the nights I would lay awake worrying about getting this business started. She promised me that "if you build it, they will come" and you did... Words can only begin to express the thankfulness and love I have for each of you. I have felt nothing except love and support in our efforts. I would like to personally thank each of you; especially my family, my friends and all of those that volunteered their time, their "blood" and sweat in helping us build Keeper's Corner. The Lord has truly blessed each of us in this endeavor. Thank you for all your compliments to us and to the store. Again, "thank-you".*
