Sales for the month of February were \$18,974.36! Sales were \$1,205.00 up over February 2017. That is 2 months in a row that sales were up over last year. AND, for the second month in a row, more vendors got checks this month than the last couple of months in December!! That shows you are really working at being a success!!

When you use the flatbed by the Pepsi machine, PLEASE return it with the carpet to the wall and the rope on top! We are getting a lot of damage to the wall, both with black marks which can be removed, and damage to the sheetrock. And if you use the large flatbeds located in the work room, return them to the standing position with the ropes out of the way. PLEASE, DO NOT leave them laying in the walk way in the work room.

**Just a reminder to all;** when you are working in your booth please do not park in the front of the store for the full time. Parking space is limited. So please, after you unload your items, move your car across the street or around the corner.

**If you think you may need more space this spring,** now is a good time to rent. We are running the "Fill the Store Special". This special lets you rent space up to or equal to the amount of space you are currently renting, for half price!!! An information sheet is available on the daily sales boxes.

**A big THANK YOU!!!** Goes to all of the vendors that are taking the time to clean, straighten and keep their booths fresh and attractive. Keeping your spaces neat and clean contributes to the overall success of the store. Take a tour around the store and look at all of the great displays. Remember, there are cleaning supplies available for your use.
