Sales for the month of January were \$24,723.47. This is the 3rd highest sales for the month of January we have had since we opened. The sales were down from last January, but that was to be expected because last January was phenomenal! We are excited for this new year! We appreciate all of you, and appreciate you being a vendor in Keepers Corner.

It is time again to vote on the "Best of the Basin" through the Herald and News. Please take the time to go online and vote for Keepers Corner. We have moved on to the finals in six categories: Under Home Sweet Home we are in "Furniture Store" and "Home Decorating Store". Under the Shopping category we are in "Antique/Vintage"; "Books"; "Jewelry" and "Secondhand". Please vote and help us stay on top!! You can find it on the Herald and News Facebook page or on their website.

We get so many fun comments from customers! They love the store and shopping here for all the wonderful items you have for them to buy. A vendor was told by a customer "if you don't have it, we don't need it!" Yup, we agree with that customer!!!

We do have some new vendors in the store! When you see a new vendor, introduce yourself and welcome them to the Keepers Corner family!

Just a reminder to all of us! PLEASE do not use items from other vendor booths to add to the display in your booth.

Please do not leave used newspaper, newsprint, or packing peanuts, or pieces of Styrofoam. we cannot use those items. We really do appreciate the boxes brought in to use for packing customer items, and I know that customers appreciate a box for the glass ware and large and heavy items. But please do not leave boxes any smaller than 12"x12" and around 6+" deep.

A few reminders as the New Year begins:

- Rent is due on the 1st, payable until the 10th, and late with a \$10 late fee on the 11th.
- Please keep your items within your booth parameters. When items are outside the booth parameters, they become a tripping hazard and can easily be damaged by the furniture cart.
- Please remember that all items in your booth need to be tagged. It does not matter if it is a display item or decorations such as greenery etc. please tag them with your vendor number and NFS meaning "Not for Sale". It saves us the time of a phone call! And saves you the grief of items being "sold" with the item they are in.
- We know it is occasionally necessary for you to change tags on items, when you do, PLEASE tear the old tags up so we at the till do not think it is an item that was stolen or sold!!!
- Please leave the parking spaces in front for customers, after you unload, please move your vehicle

Great vendors and great customers... what a winning combination...
