"THANK YOU" TO ALL OF YOU!!! I really appreciate all the work you put in to make Keepers Corner such an immense success.

November and December are two of the busiest shopping times. Now is a good time to refresh and stock those booths for the holidays! In November is Black Friday and, Small Business Saturday and we have many loyal customers that shop with us those days. I encourage you to put a "percentage off" sale in your booth for those day(s). Most vendors do sales on both days and find it helps. The dates for Black Friday and Small Business Saturday are the 26^h and 27th of November. There is a special signup sheet on the back counter for you to sign for sales for those days. We will have bag stuffers and fliers to remind the customers beginning this week.

Thank you so much to all of you who take the time to vacuum and dust your spaces and the area around you when you do a reset. It really makes your booth, and the surrounding areas look great!! I appreciate the fact that you take pride in your area and the store!

And as a gentle reminder about cleanliness: PLEASE, PLEASE, PLEASE clean your items BEFORE you bring them into the store. It is so embarrassing to sell filthy, dusty, buggy, and spider webby items. Our customers and staff deserve so much better. Our store has an incredibly good reputation, and we want to keep it that way!

Sales tags remain a huge problem. Please read and follow the information below!

Your properly filled out tags equal your money!! Make sure all tags are legible and all required information is present on ONE (1) side of the tag. Information needed: vendor number, BRIEF description of item, and price. Tags must be at least one inch by one inch and can either be tied, pinned, or taped on the item. PLEASE, sticky tags are not allowed. If you use inventory numbers or codes, please put them on the BACK of the tag. Tags without proper vendor numbers will be held for identification for one month from the purchase date.

EXAMPLE OF A PROPERLY FILLED OUT TAG:

Vendor Number
Item Description
Price

Example:

219
14" Brass Bowl
\$20.00

Great vendors and great customers... what a winning combination...
