We are still having great sales in the store. I appreciate what all of you are doing to keep the store well stocked and looking and feeling good for our customers. It is showing in the sales for the store.

PLEASE, PLEASE, PLEASE!!! DO NOT put broken glass directly into the garbage cans!! Put it in a paper bag and seal it up before putting into the trash. Scott got cut very badly last week working with a trash bag.

During hard economic times there are two givens: Violence and theft will rise!! **PLEASE** keep your eyes and ears open when you are in the store for the latter. And also, please refrain from working on your booth when you are doing your store hours. Also, if you haven't noticed we now have some "eyes in the sky" to help.

Store Display: The next store front display will be changed toward the middle of April. More than likely to a gardening/yard type display. If you have something special let us know so we can direct the display builders your direction!

Please remember that the "Man Cave" and the "Christmas Room" are here for your convenience, **PLEASE** do not take advantage of the available space. Remember that there are others who may also want to display something.

March's calendar is still showing a lot of empty slots. Please get signed up as soon as you can.

OH, those darn name tags!!! Please check your purses, jackets, sweaters and car for any strays and bring them home!

Reminders:

- **REMEMBER!!!** The calendar comes out one month early, **PLEASE** get signed up as soon as you can. **WE CAN NOT** be without coverage in the store!!!
- **Anniversary rent credit!** 10% off your rent during your anniversary month!
- **If you cannot work your time due to weather or illness, please contact us as soon as possible (even at home)! We will try and reschedule with you**
- **Upstairs space is for LARGER items.** Please remember to keep your smaller items downstairs as we do not have the security upstairs that we do down!
- **Rent is due on the 1st of the month, payable up to the 10th and late with a \$10 late fee after that date**
- **A thirty day written notice is required when you are vacating your booth at the end of the month. This applies when you are leaving after your initial six months OR at any other time after your 6 month commitment is over**
- **Don't forget about the "finder's fee" bonus when you sponsor a new vendor for the store. See Bonnie or Scott for more information.**

Scott's Thoughts: Spring is right around the corner... we hope, and the yard sales will be going every weekend so get ready to fill your booths. Keep them full and you will get great rewards. As always, thanks for all you do for "your" store.

Last minute thought: ☺ The weather will change soon and I will be looking for fishing partners (guys and gals both). See me for details.

Great vendors and great customers... what a winning combination.
