Sales for the month of March were \$30,158.17. Not bad sales at all! Keep up the magnificent work!

We had an employee meeting and it helped to get all of us back on the same page as far as policy and procedure. Please remember that the employees are doing their best for you and for the store. There are certain things I have asked of them, so if they tell you I said no, please do not question their authority!! Staff are not paid to work in your booths! IF they have time, they can help with moving a piece of furniture into the store or from one booth to another. But PLEASE do not expect them to do more than that on store time.

Please give the staff a thank you when you see them. They do so much for all of us and they deserve a big "THANK YOU!!!"

Keepers Corner was nominated in six areas of the "Best of the Basin." We took 1st Place in Antiques and Vintage stores; 1st Place in Home Decorating Store; 1st Place Jewelry; 2nd Place in Second-Hand Stores; and 2nd Place in Furniture Stores and 2nd Place in Bookstores!! You helped make that all possible!

Keepers Corner will be holding a Customer Appreciation Sale this year. The sale is May 7, 2022. It is going to be a store wide 20% off everything in the store. As in the past with store wide sales, the 20% will be taken off at the till. When I do the postings, you will see an additional 10% taken off your sales for that day. Keepers Corner is giving up 10% of our commission for the day and you, as vendors, will give up an additional 10%. If you have items you cannot let go for the additional 10% off, you will need to remove them from the store no later than 5 PM on the 6th of May. More info to come.

Please remember, it is not the stores responsibility to supply you with tags, pins, cleaning supplies or hooks. If you need a hook or two that is fine, but the drawer of hooks is fully depleted, so please return them as soon as you purchase your own.

We have new and newer vendors, (and because those of us that have been here longer forget) so here are a few reminders for all of us dealing with contractual items:

- When you vacate a booth, it is your responsibility to vacuum and dust it. It is also your responsibility to keep your booth clean, safe and in a condition that allows complete access to customers and staff**
- When moving items in and out of the store, please try and keep the front doors closed**
- Please keep your items within your booth parameters. When items are outside your booth, they become a tripping hazard and the furniture cart can damage them**

Great vendors and great customers... what a winning combination...
