Welcome to our new and returning vendors!!!  We are very happy to have you with us! 
I really want you to know how much Scott and I appreciate all of you. It is gratifying to know that the store is a success, and the reason is that all of us work together for the good of the store. We try to have fun and we try to make the store a pleasant place to be for both customers and vendors. I hope we are succeeding in your eyes!
I am concerned about the number of tags we are getting with incorrect or missing vendor numbers. We do post them to account #998 which is a NO-ID number. If you are missing items and have gone through all of the steps listed on the bulletin board to find them, please ask the manager on shift to let you see the 998 file. If you find one of your tags, we will repost it to your account so you will be paid for it. Also, there is a box in the back layaway area that has a large amount of items that have been left at the front desk with no tags or ID. Please check it out for missing items and let us know if some of them are yours.

We will be having our vendor "Barbeque" on September 12, 2012 from 6PM to whenever!! It will be at the park on Crest Street near Mazama High School. Please bring a side dish and/or desert to share. We will supply the burgers and hot dogs with all the trimmings. Hope you will all be there! We really have a lot of fun! And it is good to get together and put a face to a vendor number!! We will close the store at 5:00 PM that day so we can all get to the park on time! Remember to wear your Keepers Corner T-shirt for a reward!!!

Just a reminder... About layaways and sold items. We now have one space available upstairs. **PLEASE** do not move your items out of your booths and into the empty space, the work area, or the layaway area until you check with the on duty manager.

We still have several vendors we do not have pictures of for the web site. Please stop by and have one of the managers take your picture so we can make you a STAR!!!

It's time to start thinking about the holiday seasons coming up. Get your booths CLEAN and FRESH and FULL for the holiday shoppers. Cleaning supplies and a vacuum are available for your use.

New and Forgetful Vendor Reminders:

Scott's Thoughts: I did get some time to go fishing and have caught several trout and 2 huge salmon (33" and 39"). Who wants to go fishing? Still looking for those that might want to go fishing. Also, one more reminder, check out the updated website, www.keeperscorner.net and see if your picture is there under VENDORS. Keep your eyes open for information on the annual Keepers Corner Bar-B-Q and picnic coming in September. Wear an official KC T-Shirt to the Bar-B-Q and get a nice reward.

Great vendors and great customers... what a winning combination.
