Sales for the month of January 2012 were \$27,331.45. That is up \$4493.09 over January of 2011. Another great month! Keep doing what you are doing and keep those booths full!

Welcome to our new vendors!!!

We are very happy to have you with us!

AAAHHHHH!!!! That dang calendar! When TWO of you are working the same shift for the same vendor number, PLEASE sign up in TWO slots! We have had a couple of days with 4 workers in two slots and then no one to sign up in another area. I allow just enough slots for the number of workers I have for the month. When 3 or four people take only two slots it leaves me short on other time slots and we have to pay someone to work fill in.

We are doing a Keepers Corner Cookbook!!! Yea! Thanks Cathy #323! Please bring your recipes in for her. I THINK she has a deadline for the end of February!

Reminders:

- Anniversary rent credit! 10% off your rent during your anniversary month!
- If you cannot work your time due to weather or illness, please contact us as soon as possible (even at home)! We will try and reschedule with you
- Rent is due on the 1st of the month, payable up to the 10th and late with a \$10 late fee after that date
- A thirty day written notice is required when you are shrinking down or vacating your booth at the end of the month. This applies when you are leaving after your initial six months OR at any other time after your 6 month commitment is over
- Ask the management about the "Finder's Fee" bonus!!
- Please do NOT leave your newspaper wrapping paper in the back lay-a-way areas. It is just trash to us. We appreciate your boxes that you donate but please don't leave your garbage.

Please remember that when you are here to work your time, you need to be on the floor ANY time there are ANY customers in the store. We are NEVER slow enough that you can spend your time reading, or doing handwork UNLESS the management on duty says it is OK. Please respect your fellow vendors and fulfill your duties.

Tape/Stickers on items: Please be careful when you put tape or stickers on your items for tags. Sometimes it is extremely difficult to remove and at times it tears the surface of the paper or painted items. You just lost that sale!!!

A reminder about tags: We are getting a lot of VERY SMALL tags!! I realize that you do not want to use regulation size tags on small items, but they are very easy to get lost!!! Please do not use them!

***Scott's Thoughts:** The battle is on and I am prepared to win the war on this prostate cancer. The treatments have started and today I did treatment #11 of 38. Those little CCs die each day by the millions. You should hear them scream! I feel great... If I was any better, I'd be twins. When you work like everything depends on you and pray like everything depends on the Lord, all things are possible. I thank all of you for your love, your concerns and your prayers.*
