Sales for the month of July were \$22,208.13. The top twelve were all over the board!!!

 Welcome to our new vendors!!!  We are very happy to have you with us!  There are some new faces this month! Get to know some of them, they are wonderful people!

Thank you to each of you for the well wishes when my brother died last month. I appreciate the card and all of your kind words. It was not the best situation for me to be in Tennessee when he passed away and to work out delaying my time on the road but the staff took over and really eased my mind.

A BIG THANK YOU! To all of the staff!! They were very professional, helpful and willing to step up when I needed more days covered this month. I am so grateful for our staff! We are all very blessed to have them!

We have brooms, dusters, vacuums and other cleaning supplies for your use. Please return them to the proper place when you are finished with them. We do appreciate those of you that are cleaning and keeping your booths fresh and the stock rotated. It really makes a big difference to customers. One customer said some booths are "Frozen" in time!

Also, a "very big" thank you to those who are working very hard to keep our aisles clear of items. Please remember that you need to keep your items within the confines of your booth. It becomes a tripping hazard as well as an issue with code enforcement. By law we have to make our aisles a certain width and CANNOT have items sticking out into the walk ways.

Quick reminders:

- All Items in your booth **MUST** have a tag; if the item is not for sale, then please tag the item with your vendor number and **NFS**
- Boxes are appreciated, but please take the wrapping paper and plastic bags home with you. We do not use newspaper or used plastic bags to wrap items. **THANK YOU!!!**
- A thirty day written notice is required when you are **shrinking down** or **vacating** your booth at the end of the month. This applies when you are leaving after your initial six months **OR** at any other time after your 6 month commitment is over
- Ask the management about the "Finder's Fee" bonus!! Earn up to \$100.00 towards your booth rent.

Merchandise tags continue to be an issue; please remember to put your vendor number on the top of the tag, a brief description of the item in the center and the price on the bottom of the tag. **ALL** of the information we ask for needs to be on the same side of the tag. Please do not use sticky tags or write on the item!! The staff does not have the time to re-write sales tags. Tags should be attached to fabric items with safety pins instead of tape. If you are still unsure about how to fill tags out ask a member of management for a Policy Sheet. Another reminder: please remove garage sale and thrift-store tags. **POLICY INFORMATION** sheets are hanging on the daily sales boxes, please read them.

Scott's Thoughts: Got back and ran off for a family reunion, then came home and spent a couple of days doing yard work and things around the house and now I am off **FISHING!!**

Thank you to all of the staff and those who stepped in to help put in any way while we were gone. You all make our lives easier!

Great vendors and great customers... what a winning combination.
