#4----\$1356.60	#8----\$730.00	#12---\$631.34

Sales for the month of November were \$23,363.42. Sales are still climbing every month!

We had wonderful Black Friday and Small Business Saturday sales! I really appreciate all of you who put your items on sale for those days. It really made a difference with our shoppers. Many of them expressed their thanks and asked that we let you know how much they appreciated your discounts.

We will be hosting the Chamber of Commerce "Sip and Shop" again on December 14<sup>th</sup>. We are excited to do this each year. The shoppers have a lot of fun and enjoy finding that special item while they are here.

Thank you so much for working your booths and keeping your stock rotated. Your hard work is really paying off! The store looks great and our customers comment on it all the time!

From the Staff: We appreciate the way the vendors step up and help when things are busy up front! Thank you!!

The staff wants you to know that "We Love Our Vendors"! And we appreciate you being here! But we do have a few concerns...

1. As you clean and straighten and clean your booths you may find some "visiting" items. Please check your neighbor's vendor number and see if that is home to the visitors.
2. Please remember that all items in your booth need to be tagged. It doesn't matter if it is a display item or decorations such as greenery etc. please tag them with your **vendor number and NFS** meaning "**Not For Sale**". It saves us the time of a phone call! And saves you the grief of items being "sold" with the item they are in.
3. We know it is necessary for you to change tags on items once in a while, when you do, PLEASE tear the old tags up so we at the till do not think it is an item that was stolen or sold!!!
4. I have repeatedly asked, and have had a flier on the daily boxes, for vendors to remove your display items from the layaway area and the work room. Those items that remain will be tagged with a yellow sign. After 30 days the items will be considered abandoned and will be sold under the store number.
5. Please write legibly on your tags, and if you put a lot of information on the tags, please consider using larger tags.
6. Remember that the displays are managed displays. Ask Linda or other staff members before putting your items in the displays.

*Great vendors and great customers... what a winning combination...*
