Sales for the month of January were \$21,906.91! Sales were up over last January. The store looks for good! Customers tell us almost daily how much they appreciate the great displays and selection of items to choose from. You are doing a great job keeping the store successful!

Welcome to our new vendors! We appreciate you joining us!

If you are missing items from your booth, please look around the store. Many times, customers change their mind and do not know where they picked an item up so they put it in the nearest booth. If you still cannot find your item, please check with the staff. They will see if the item is on layaway, they can also check to see if it sold that day, or if the posting sheet has been misfiled. If none of those produce the item, please check in the 998 file. If an item has a price but no vendor number, it will be posted to 998. It is an easy fix to change it to your file.

When you use the work room and or the tables in the back to clean, repair or mark your items, please remember to CLEAN UP AFTER YOURSELVES! The staff really do not have the time to clean up after vendors.

Please, do not use extremely large tags, or pieces of paper unless you have a smaller one on the item also. Anything bigger than a 3"x6" is too big. I realize that they draw attention to your items, but they are very difficult to work with when posting and verifying. And PLEASE make your tags legible!!

*******EVERYONE!!!*******

Please read these Reminders

- EVERYTHING in your booth needs to have a tag! If an item is not for sale, it still needs to be tagged with your vendor number and NOT FOR SALE. No TAG, No SALE! Remember; tags= your money!!
- AND a big reminder about tags, your vendor number on the top, brief description of the item in the center, and price on the bottom. Hang tags only, no sticky tags, please. It is OK to tape hang-tags on wood or glassware or to pin your tags on fabric items
- Rent is due on the 1st of the month, payable up to the 10th and late with a \$10 late fee after that date.
- A thirty-day written notice is required when you are shrinking down or vacating your booth at the end of the month. The notice MUST be to us on or before the first day of the month you want to vacate. For instance, if you want to vacate at the end of March, we must have the notice no later than March 1!!
- Ask about the "Finder's Fee" booth rent credit!!!

Great vendors and great customers... what a winning combination.
