Sales for the month of December 2011 were \$36,655.00. Another great month! Keep doing what you are doing and keep those booths full!

Welcome to our new vendors!!!

We are very happy to have you with us!

Tape/Stickers on items: Please be careful when you put tape or stickers on your items for tags. Sometimes it is extremely difficult to remove and at times it tears the surface of the paper or painted items. You just lost that sale!!!

A reminder about tags: We are getting a lot of VERY SMALL tags!! I realize that you do not want to use regulation size tags on small items, but they are very easy to get lost!!! Please do not use them!

WE appreciate the boxes you are bringing in for packing customer orders. Please do not leave your newspaper packing. We do not use it and have to dispose of it.

When items such as dressers, trunks, big boxes etc, are purchased, or picked up from layaway, please check them for items that may have made their way inside them.

Do you feel like your sales are slumping? Take a good hard look at your booth and see if it says "STAY OUT!" Sometimes if a booth is too full, or there isn't room to move around in it, customers WILL NOT go in.

PLEASE, check your items for yard sale and "good will" tags!!! Lots of them are showing up! We are telling customers that if the tag is not one from our store, with our vendor numbers on it, we will NOT give them the lowest price. It is causing some tension at the till, so please check your items carefully.

With bad weather upon us, we understand that there may be times when you may not be able to get in to the store for your scheduled work time. **PLEASE,** call us as soon as possible so we can get someone close by to fill in!! **Thanks!!!**

AAAHHHH!!!! That dang calendar! When **TWO** of you are working the same shift for the same vendor number, **PLEASE** sign up in **TWO** slots! We have had a couple of days with 4 workers in two slots and then no one to sign up in another area. I allow just enough slots for the number of workers I have for the month. When 3 or four people take only two slots it leaves me short on other time slots and we have to pay someone to work fill in.

A thirty day written notice is required when you are shrinking down or vacating your booth at the end of the month. This applies when you are leaving after your initial six months OR at any other time after your 6 month commitment is over.

NOTICE: As of January 1, 2012 we closed the Christmas Booth in the back corner of the store. All items needed to be removed by then. Any items left after January 10, 2012 will be considered "abandoned" and will be sold, given away or thrown away. Thank you in advance for taking your things out.

Scott's Thoughts: The rumor mill is up and running so I will be up front with everyone. In December I was diagnosed with prostate cancer. I have gone through some testing and it looks like we got to it early. I will start radiation treatments sometime in the middle of January for about 8 weeks of treatment. **No, I am not going to die...yet.** I feel fine but cancer is a silent killer and I need to deal with it now. I thank all of you for your concerns and prayers.
