You are so great!!!! We thank God everyday that we have the opportunity to be associated with all of you. Customers comment all the time about what a great atmosphere we have in the store, it is all of us working together that makes it a great place to shop and find fantastic bargains!!!

Sales for the month of May were \$30,796.89, an increase of nearly \$4000.00. You keep bringing in all of the wonderful "STUFF", we will keep advertising and getting the customers in, and there will be no stopping this train!!!

*We will be closing the last free area upstairs July 1, 2011. Please remove all of your items before that date. Both spaces are rented and the vendors will take possession July 1, 2011.*

Please remember that staff members have the discretion to handle all situations that arise. Please do not interfere when they are explaining situations to customers, and please, don't tell any of them "that isn't the way Bonnie does it." They can make decisions as needed.

Need to talk about tags!!!! We want to remind all of you to put a BRIEF description on each tag. We believe we are having a little bit of trouble with some switched tags. You can really help by putting a brief description on your tag. We are also asking the counter help to CHECK each tag against the item as you clip tags.

EEKKKK!!!! ;) The hand shopping baskets have grown legs and are walking out of the store. If you have borrowed one or two to take items home from the store, please remember to bring them back. We are down to four (NOPE, THREE) baskets, and many times need more than that at one time for the customers.

Scott and Bonnie will be gone for most of July. Billie, Cathy, Dana, and Linda will be filling in for us. Please give them your support as you do for us. The postings may not get done every day. Please be patient if you need to wait a day to check your sales.

I left out the monthly reminders because... the vendors that need them don't read them, and... the vendors that read them don't need them!!! (If you want to know who they are, maybe I should print a list of those "non-readers" in next months newsletter ;p) LOL (If you ask us about this comment, you will NOT be on the list) he-he

*Scott's Thoughts: Not too much to say this month. As all of us know, the weather has been pretty cool and windy causing the fishing to slow down some. I can stay warm with the boat covers all on, but the wind is bad for fishing. I'm still looking for those who may want to go fishing. Just let me know. 541-891-6456*

Check out the new web site for Keeper's Corner. The address is [www.wix.com/sfteeples/keepers-corner](http://www.wix.com/sfteeples/keepers-corner). It is really cool, if I say so myself. I am in the process of changing it over to the store domain of [www.keepers-corner.com](http://www.keepers-corner.com). Hope to get it going soon. We will be able to load lots of store pictures on the internet.

*Great vendors and great customers... what a winning combination.*
