Sales for the month of June were \$34,995.56. We are so pleased with the sales this year. The sales just keep getting better and better! Thank you for all the great items you have for our customers!

You are all so great!!!! We thank God every day that we have the opportunity to be associated with all of you. Our customers comment all the time about what a great atmosphere we have in the store, it is all of us working together that makes this a great place to shop and find fantastic bargains!!! We are getting some VERY good reviews on Google, our customers love us! And...I've just been contacted by the Country Register, they are doing an article on the store for the next issue! Isn't that exciting! We really do appreciate all that is done to make this store the successful place it is.

Because some of us are new to the store and some of us are OLD to the store tend to forget, I have some reminders:

- ✓ I use social media a lot to advertise and promote the store. If you have a FaceBook or Instagram page, do not be afraid to post your items and tag the store! It gives all of us better coverage!
- ✓ If you use the kitchen area to clean and or mark things for your booth, PLEASE clean the table and the sink after you are finished.
- ✓ We have several items on the front counter that have no tags. **IF** they belong to you, please claim and tag.
- ✓ If you have broken glass in your booth, please do not put it in the garbage, there is a box in the back near the restroom for broken glass.
- ✓ There is a list at the front counter for specific items customers are looking for, check it often!
- ✓ **We know that you need to occasionally mark** items down, **PLEASE** use a new tag, or staple/tape a sale tag with the new price on it. Some tags are getting so many markdowns that we cannot decipher the ending price and we truly want to do what is in your best interest! We do have some sale tags you can use.
- ✓ Please remember that tags must be at least 1 inch by 1 inch, small tags get lost very easily.
- ✓ A thirty-day written notice is required when you are shrinking down or vacating your booth at the end of a month. The notice **MUST** be to us on or before the first day of the month you want to vacate. We do not prorate a month at the end of your contract.

*Great vendors and great customers... what a winning combination...*
