Sales for the month of April were \$21,245.71. Up over last month!!!

**Saturday May 7, 2016 is our Annual Customer Appreciation Day sale.** Everything in the store will be 20% off. Remember; if you have something that your profit margin is too small to sell at 20% off, please remove it from the store by Friday evening. Information on how the 20% off will affect you is taped to the daily sales boxes. **Sale Day is traditionally very busy and we could use some extra floor help. Any and all help will be appreciated!!**

**We are welcoming several new vendors in May! Please make sure you welcome them!** Thank you for encouraging your friends to join the Keepers Corner team! Just a reminder: if you refer someone to the store and they rent a space, you can get a Finder's Fee Bonus for money off of your next month's rent! **ASK Bonnie~**

**If some of you are experiencing lower sales; it may be worth your while to stand back and take a good look at your booth(s).** Are they clean; do they look inviting; are they too crowded; are you rotating your stock around in your booth? Those and many other factors influence shoppers to buy **OR** to pass you by! Try to make your booths enticing!!

**And along that same line...** please, remove dirt and debris from your items. It is very embarrassing to have items come to the front full of dirt, dust, leaves and spiders!

**Quick reminders:**

- If you have lights, lamps etc. in your booth, please put them on a timer
- Boxes are appreciated, but please take the wrapping paper and plastic bags home with you. We do not use newspaper or old plastic bags to wrap items. THANK YOU!!!

**Merchandise tags continue to be an issue;** please remember to put your vendor number on the top of the tag, a brief description of the item in the center and the price on the bottom of the tag. **ALL** of the information we ask for needs to be on the same side of the tag. **Please do not use sticky tags or write on the item!! The staff does not have the time to re-write sales tags. If you are still unsure about how to fill tags out ask a member of management for a Policy Sheet.**

**Please remember that your booth only extends to the end of the side pieces. I keep re-arranging some of your booths, because you persist in having items out in the walkway. It's not because I want you to pay for every square inch of space you are using; it is because it is a hazard and also a detriment when we are taking large items down the aisles!**

**Scott's Thoughts:**  I'm  heading  out  fishing  tomorrow  and  already  been out a few times. Don't forget that I am willing to take those with me that may want to go; women, men, children, families or whatever. All you really need is lunch, a license, and a little gas money to chip in. Let me know if you're interested.

*One last note... what are you doing to advertise YOUR booth on Social Media (Facebook, etc.)? I have put on a \$7.00 Boost on a FB Posting and have had over 1,400 people view it. It pays to advertise you and your booth. See me if you need help.*

*"Thanks for all you do," Scott*

*Great vendors and great customers... what a winning combination.*
