Sales for the month of September were \$25,571.72!! Another great month in tough economic times. We are on track for a great year in sales again this year!!! I know you don't want to hear this but... It's time to stock your booths and get ready for the holiday seasons! The real heavy shopping season is beginning soon.

**A New Change for Booth Sales...** As of November 1, any booth that has a sale will be for ALL items in the booth... no exceptions. We will NOT be doing sales such as "all items except" or "these items only". It has become very confusing when we are doing a lot of tags at one time. We have made a few mistakes with some vendors becoming very upset over us not noticing all of the various stipulations. **If you want to discount only a few items, you will need to mark each item down.**

**ALSO:** Beginning November 1, ALL ITEMS will be allowed to go on layaway, whether on sale or not. If we call you to make an offer we will let you know if they want to put it on layaway, you then will have the option of accepting the offer or not.

**The Annual Store Bar-B-Q...** It was a great success again this year. The weather was pretty good for us and attendance was pretty good. If you missed it this year maybe you can attend next year.

**When you are here doing your time, please be visible to the customers, wear a name badge and be VERY vigilant!!!** Pay attention to the customers and what they are doing. We have one "person of interest" that we need to watch very carefully. His picture is on the front door. If you see him in the store, please notify management ASAP. Unless you are asked to be at the front to help the staff, PLEASE be on the floor!!! Pay particular attention to the customer that continues to go to the same booth.

**We have had someone using a price gun on items in the store.** We found the price gun and do believe it was someone just playing around, but... From now on we will tell customers that if the tag is not one from our store, with our vendor numbers on it, we will NOT give them the lowest price. Please check your tags and items for orange sticky tags and remove them.

**Due to some** avoidable issues, we now have a form for you to fill out when you are vacating your booth or shrinking down. And remember, your notice **MUST be received on or before the first day of the month** you will be vacating the booth.

**Scott's Thoughts:** We are offering some additional security in the building. We are adding several new cameras around the store. Also, if you want to have **a camera devoted to your both** we are offering this service. Pick up a flyer on the back counter or talk to Bonnie or Scott for additional information.
