Sales for the month of January were \$14,014.34. It was a very low month for us. We were fighting the snow and the cold. We opened on the day after the huge snowstorm. Even though the police were asking people to please stay off of the roads; we still had to get the sidewalks cleared so we opened. After nearly 4 hours with no customers we closed. The customers were obviously staying off of the roads!

We know lower sales are discouraging, but don't get down on your sales or booths. The weather is something no one has any control over, and it will get better! We have had slumping sales before and it always picks back up! People are starting to put items on layaway so take that as a sign that money is starting flow again!!

Thanks for working so hard and keeping your booths full, but not too full! It helps to have a great variety of items in your booth, but it also is important not to fill your booth so full that customers cannot get in. **Please** do not place items on the floor of the booth where customers need to step or walk, it is a severe tripping hazard, and can lead to damaged items.

Welcome to our new and returning vendors!!! We are very happy to have you with us!

We had a great 10th Anniversary Sale Day on the 2nd of January! We did over \$1600 for the day. This isn't something we normally do, but because it was the 10th Anniversary we decided to have a sale day! We used coupons so it didn't cost the vendors anything. We will hold our normal customer appreciation sale day in April or May. More information will come later.

Please remember that a "no-tag" item in your booth means a NO SALE!! Check your items often for tags, sometimes they just disappear!!!

We really appreciate the boxes brought in use for packing customer items, and I know that customers appreciate a box for the glass ware and large and heavy items. Please do not leave used newspaper or packing peanuts, we cannot use those items.

*******EVERYONE!!! Please read these Reminders*******

- EVERYTHING in your booth needs to have a tag! If an item is not for sale, it still needs to be tagged with your vendor number and NOT FOR SALE. No TAG, No SALE!!!
- Just a reminder about tags, your vendor number on the top, brief description of the item in the center, and price on the bottom. Hang tags only, no sticky tags, please. It is Ok to tape or pin your tags on items
- Rent is due on the 1st of the month, payable up to the 10th and late with a \$10 late fee after that date
- Please keep all of your items inside of YOUR booth. Please stay within the boundaries and don't put your items in other booths just because it's open or you don't have room.
- If you are missing an item from your booth, please check with the staff for information on where to look
- A thirty day written notice is required when you are shrinking down or vacating your booth at the end of the month. The notice **MUST** be to us on or before the first day of the month you want to vacate. For instance if you want to vacate at the end of March we must have the notice no later than March 1!!
- Ask about the "Finder's Fee" booth rent credit!!!

Great vendors and great customers... what a winning combination.
