*****Please check the Keepers Corner Antique Craft and Collectible face book page for a wonderful video taken in several Klamath Falls thrift and antique stores. Keepers Corner is included, and we got some very positive words said about us!!!*****

We continue to have issues with rent being paid on time, vendors not understanding the process when they want to vacate a booth, how to fill out tags etc. Many can be answered by reading the contract you signed when you became part of Keepers Corner. PLEASE take some time and read your contract. If you still have questions, please ask Bonnie. There is also a lot of information in every newsletter, **PLEASE** read them!

Scott and I will be out of town for our annual conference in the last part of July. If you need help with anything or information, **PLEASE** see Perla. She is in charge while we are gone.

Tags, Tags, TAGS! Oh, those pesky tags! Please read the following information about tags:

Please remember... *****Sales tags***** Vendor number on TOP, brief description of item and Price on the BOTTOM!! All information on ONE side of the tag *****THANK YOU*****

Beginning **NOW** any **SOLD** item put in the open area on B-C **MUST** have a staff member's signature on the back showing that you **ASKED** if the item could be put in the area and that you were given the okay to put it in the area. **PLEASE** remember that **Layaways** have priority!

AS of August 1, 2023, the fee for late rent will be going up to \$25.00

REMINDERS:

- We promote the store several ways, Face Book, print ads, store displays, various one day promotions like the Sip and Shop and Black Friday and, Small Business Saturday to name a few. It is hoped that all vendors will participate in these promotions as it is good for all the vendors individually and the STORE collectively. The store is only as successful as you help make it.
- When vacating the store **ANYTIME** after your six months are over, **PLEASE** remember that the store needs a **30-day** written notice before you vacate. If you want to vacate on August 31, your written notice must be on file on or before August 1. We have a form for you to use.
- Rent is due on the 1st payable until the 10th and considered late with a **\$25** late fee on the 11th.

Great vendors and great customers...what a winning combination...
