Sales for the month of June were \$22,759.90! As you can see it was a very good month! The Sales keep climbing and we keep getting more new vendors and customers!

Summer travel means we get a lot of antique and collectible buyers. We have had so many great comments from them about the store. They remark about the orderliness and organization of the store; the fair prices and the great selection. You are doing a great job, keep up the good work!!

**Staff Concerns:** 1. Many of you use the tables near the coffee station to clean and mark your items for the store. Please wipe the tables and sweep the area around them after you use them so the area is in good shape for other vendors and customers. 2. If you have lunch in the break area, make sure you sweep up any crumbs and food particles. We have been having an ANT issue, and they love the treats on the floor! 3. If you have items missing, please take some time and look around the store; usually it has just been misplaced in another booth. Also, ask to see the 998 file, some items with no vendor number will be sold and posted to 998.

The store will no longer be supplying furniture oil and oil rags for use in the store. If you use furniture oil you will need to bring your own and your own rags. Please do not leave the oil or oily rags in the store after use, **AND DO NOT** put the oily rags in the garbage, it can be an extreme fire hazard. If you have left furniture oil here for the use of others, please take it home!!

There is a place near the restroom for broken glass, please make sure it is in the glass bins and not the trash. Please do not leave **LARGE** pieces of broken glass, ie windows, picture frame glass etc.

Please remember to keep your items within the parameters of your booth. Items **CANNOT** stick out in the aisle regardless if the aisle is 4 feet wide or 6 feet wide. All the Fire Marshal looks at is items that can be a hazard. **THANK YOU** in advance!!

**\*\*\*\*\*EVERYONE!!! Please read these Reminders\*\*\*\*\***

- **EVERYTHING** in your booth needs to have a tag! If an item is not for sale, it still needs to be tagged with your vendor number and **NOT FOR SALE**. No TAG, No SALE! Remember; tags=money!!
- Just a big reminder about tags, your vendor number on the top, brief description of the item in the center, and price on the bottom. Hang tags only, no sticky tags, please. It is Ok to tape hang-tags on wood or glassware, or to pin your tags on fabric items
- Rent is due on the 1<sup>st</sup> of the month, payable up to the 10<sup>th</sup> and late with a \$10 late fee after that date.
- A thirty day written notice is required when you are shrinking down or vacating your booth at the end of the month. The notice **MUST** be to us on or before the first day of the month you want to vacate. For instance if you want to vacate at the end of August we must have the notice no later than August 1!!

*Great vendors and great customers... what a winning combination.*
