Sales for the month of June were \$23,231.18! Up from last month!!!

A big "Thank You" to our staff for keeping the store running so well while Scott and I were gone. They are number one in our book. They have dealt with issues very well. Thanks again!!!

Wonderful comments from the customers about your store!!! People are so complimentary about the cleanliness, the organization and the great variety of items for sale in the store!!! Keep up the good work!

Thank you to all of you who are so willing to help out whenever you are in the store. And, thank you to all of you who have read and followed the requests in the newsletters. You make our job so much easier, and relieve a lot of Bonnie's STRESS!!!

A Reminder about work time: you are the eyes for everyone else in the store when you are working. Workers need to be aware of who is in the store, where the customers are, and what is going on. **ALL Workers** need to be on the floor; not reading, not knitting, not crocheting, not working on their booths, and not up front talking with the staff. **If the staff needs you to help with a large order, they will let you know!**

CALENDAR: The calendar comes out one month in advance. **PLEASE get signed up** on it as soon as you can. **We will no longer accommodate you as a third worker unless all other spots are full!!! If you haven't signed up by the 15th of the current month, we will be getting someone to work your shift and you will owe the \$30.** That gives you about 40 days to sign up. We cannot have empty slots, the store is just too busy.

We have had some complaints from customers and vendors about rudeness by some of the vendors. **PLEASE, PLEASE, PLEASE** remember that people who come in to the store are your livelihood. **DO NOT** make rude comments about customers or other vendors. Sound carries in the store and what you may think is a whisper can be heard several aisles away. If the store is to remain successful, we cannot afford to offend even **ONE** customer.

And on that same note; we want to be known as the type of store that is **GOOD** for business, both in the store and in the community. Please keep your comments about other vendors and businesses in the community **POSITIVE!!!**

Just a word concerning closing time... Please, finalize transactions, restocking, or cleaning your booth before closing time. The staff needs to have time to close out the till and do their closing work after closing. It is really unfair to keep them. **Remember, they are on store time, not your time!!!**

Scott's Thoughts: *Bonnie has always said that when the 4th of July gets here the summer is almost over and she, again, is right. Where has the time gone? Bonnie and I have done a lot of traveling this summer between FCE, Family and Community Education, and our own family. It has been good, but time for a rest at home. (Maybe now I can do a little more fishing... want to go???) A big THANK YOU to the Keeper's Corner Staff and vendors for taking care of the store while we have been gone. Without each of you, Keeper's Corner would not be what it is.*

Great vendors and great customers... what a winning combination.
