Are we filling up or what? We are up to 75 vendors and have a total of 4 booths left to rent, a front area of the SW window and the "classroom" area. If you have friends that may be interested in renting get them here before all the space is gone. Remember also that there is a "finder's fee" for finding new vendors.

The Grand Opening Sale will be on April 28, 2007. Attached is an information sheet. PLEASE, take the time to read it. If you have any questions please ask!!! We will take your donations for door prize drawings at any time!

Keeper's Corner Tee Shirts? Yes! They are at the printers and will be here soon. We will be selling them to the customers and the vendors will be able to buy them at a greatly reduced price. Watch for them to be in the store.

Store brochures have been printed and placed at various places in the Klamath area. There have been brochures placed at the Running Y, Shilo Inn, Super 8, The Chamber of Commerce and the Great Basin Visitors Center (now Travel Klamath). Please let us know if you have a place that you would like some brochures put.

Check out the new mural painted on the wall by Lori Burk. We really appreciate her and her husband, Bobby's, time in doing this. We are looking at using this area of the store for a "Featured Vendor of the Month" area. Listen for further details to come.

A GREAT BIG thank you to all of the vendors that go the extra mile with the vacuum, dust cloths, brooms and dust pans. This is HUGE store to keep clean, and we appreciate all of your help in doing just that!!

We are going to start a "Customer Appreciation" gift basket drawing. This will be held monthly, and will be given after the last day of sales for the month. It is a voluntary promotion. There is an information sheet on the bulletin board with all of the information on it. Any questions see Bonnie or Scott, or Cora.

**Reminders:**

- We are now open until 6:00 PM Monday-Saturday.
- Be sure to read the attached information about the Grand Opening Sale this month. The Chamber of Commerce is doing a Ribbon Cutting Ceremony at that time.
- Check the "Want List" from customers.
- Check the bulletin board for other information

***Scott's Thoughts:** With softball season here I am not in the store as often as I would like but every time I come in, things have changed for the better. Each of you does such a great job in your booths. Please let Bonnie or I know if there is anything we can help you with. I want everyone to have a "win-win" experience while here at Keeper's Corner. Again, I would like to thank all of the vendors and customers for their support to both Bonnie and I... without you, we are nothing in this business. Let's get ready for another great month.*
