You are all so great!!!! We thank God every day that we have the opportunity to be associated with all of you. Our customers comment all the time about what a great atmosphere we have in the store, it is all of us working together that makes this a great place to shop and find fantastic bargains!!! We have been getting some VERY good reviews on Google, our customers love us!

\*\*\*\*\*We do want to welcome our new vendors; we are excited you have joined us!\*\*\*\*\*

For Your Information:

1. I've spent a lot of time wandering in the store the last few weeks, just looking everything over. Some of your displays are wonderful! The booths are very inviting and pleasant to look at. Some, however, are so crowded at the front end of the booth that there is no way a customer can purchase anything if it is behind things. Please remember that customers usually WILL NOT move stuff to see items behind the front line!
2. Please remember when you vacate a booth you are responsible to clean and vacuum. It is not the stores responsibility to clean up after you.
3. Scott and Bonnie will be gone for most of July. Our super staff will be filling in for us. Please give them your support as you do for us. The postings may not get done every day. Please be patient if you need to wait a day or two to check your sales.
4. Please remember that staff members have the discretion to handle all situations that arise. Please do not interfere when they are explaining situations to customers, and please, don't tell any of the staff "that isn't the way Bonnie does it." Even if you think you know the answer, please just ask the customer to wait and let the staff take care of it. They have the power to make decisions as needed. The staff also has the most up-to-date information on store policy, and they need to be the ones to explain policy to the customers. We trust them to do whatever is the best for all of us!!!

*Great vendors and great customers... what a winning combination.*
