Sales for the month of March were \$22,985.54! Not bad! Keep those booths clean, fresh and full! (But not too full!)

The electricians are finally finished. Most of the booths, both upstairs and down, have access to power without running multiple extension cords. REMEMBER... No light bulbs bigger than 17 watts. You cannot plug extension cords into extension cords. IF NEEDED, an extension cord can be plugged in to a power strip.

Saturday, May 3, 2014 will be our Annual Customer Appreciation Sale. Every item in the store will be 20% off. Please remove your booth sale signs by Friday evening. If you choose to put your sale signs back up, you can do it Monday morning. Information on the procedures for the sale day will be available for vendors. If you have questions about the sale day, please ask one of the managers. Worker time for that day will be EXTRA and will not apply toward your 8 hours. A sign-up sheet for the extra time is attached to the calendar. You are welcome to bring cookies, and other treats for the customers and vendors, if you wish.

**Reminder about work time:** you are the eyes for everyone else in the store when you are working. Workers need to be aware of who is in the store, where the customers are, and what is going on. And remember that although the computer is here for your use; please don't spend a lot of time on it while you are doing your shift. Workers need to be on the floor; not reading, knitting, crocheting, or working on their booths.

Please, do not sign the calendar on areas that have no time slots. I only allow enough spaces for the number of vendors we have working for the month. If all slots are full and you need a place to work PLEASE see the manager on duty for them to help you sign up at a time most beneficial to the store.

Welcome to our new vendors!!! We are very happy to have you with us! Several new faces this month! Get to know them, they are great people and have wonderful items!!

\*\*\*\*\*EVERYONE!!! Please read these Reminders\*\*\*\*\*

Scott's Thoughts: I guess Keeper's Corner must be a very popular place. We have people even trying to get in during the hours that we are closed. Just to clarify any rumors, we had someone TRY to get in on Sunday March 23 at 12:21 AM WITHOUT success. Broke the door pretty bad but did NOT get in. We got lots of video which has been turned over to the police. We can also let you watch it. On a positive note, if you are looking for a fishing trip, please let me know. I love taking "new-bees" and children fishing. Let me know. A big thanks for everything that each of you do.

Great vendors and great customers... what a winning combination.
