Old checks- IF you have Keepers Corner checks that you have not cashed from the past year, or so, PLEASE, PLEASE, PLEASE deposit them, or if they are too old, I will rewrite them for you. I am trying to close out my books for the year and there are A LOT of outstanding checks!

I'm really enjoying watching your booths change with all the resets and moves! We have very creative vendors! Many of our customers comment on the innovative displays. I love hearing the customers talking as they go past the booths. It gives people good ideas for their own homes, so keep up the good work!

Please remember not to leave used newsprint, Styrofoam peanuts or plastic bags in the back. We do not reuse items like that and must dispose of them. Thank you!!

We have several new and newer vendors, so here are a few reminders for all of us dealing with contractual items:

- We promote the store several ways, Face Book, print ads, store displays, various one day promotions like the Sip and Shop and Black Friday and, Small Business Saturday to name a few. It is hoped that all vendors will participate in these promotions as it is good for **all the vendors individually and the STORE collectively. The store is only as successful as you help make it.**
- When you vacate a booth, it is your responsibility to vacuum and dust it. It is also your responsibility to keep your booth clean, safe and in a condition that allows complete access to customers and staff.
- When doing booth reset, please do not put your items in someone else's booth or the aisle way. It keeps customers out of other booths and potential sales are lost.
- Please do not ask staff to stay late or to let you come in on a Sunday for you to re-merchandise your space.
- Rent is due on the 1st payable until the 10th and late with a \$10 late fee on the 11th.
- **Please keep your items within your booth parameters.** When items are outside your booth, they become a tripping hazard and can easily be damaged by the furniture carts.

Great vendors and great customers... what a winning combination...
