Sales for the month of September were \$27,885.66. Our customers tell us how much they love shopping here. They talk about the variety of items in the store, the great pricing, the wonderful displays in booths, and that we have 'one stop' shopping! Keep up the excellent work! The Holidays are fast approaching, and sales will pick up so keep the booths full (but not too full) and be ready for great sales!

November and December are two of the busiest shopping months of the year. Now is a good time to refresh and stock those booths for the holidays! In November is Black Friday and Small Business Saturday and we have many loyal customers that shop with us both days. I encourage you to put a "percentage off" sale in your booth for those day(s). Most vendors do sales on both days and find it helps their sales. The dates for Black Friday and Small Business Saturday are the 25^h and 26th of November. There will be a special signup sheet on the back counter for you to sign for sales for those days. We will have bag stuffers and fliers to remind the customers of the sales beginning the first week of November and we will hit the social media and other advertising beginning November 1.

Please check the customer want list hanging in the sales area. Customers looking for something specific note it on the list. Please check and see if you may have that item.

We have seen an increase in yard sale stickers and Goodwill tags on the items coming to the checkout counter, please make sure you get those tags off the items before you put them in your booths. We will not sell them if they do not have a vendor tag, which is a lost sale for you.

- Please keep your items within the booth parameters. When items are outside the booth, they become a tripping hazard and you run the risk of the furniture cart damaging them
- Just a big reminder about tags, your vendor number on the top, brief description of the item in the center, and price on the bottom. Hang tags only, **no sticky tags, please**. It is Ok to tape hangtags on wood or glassware, or to pin your tags on fabric items
- Rent is due on the 1st of the month, payable up to the 10th and late with a \$10 late fee after that date
- A thirty-day written notice is required when you are shrinking down or vacating your booth at the end of the month. The notice **MUST** be to us on or before the first day of the month you want to vacate. For instance, if you want to vacate at the end of **November**, we must have the notice no later than **November 1**
- When you vacate a booth, it is your responsibility to vacuum and dust it. It is also your responsibility to keep your booth clean, safe and in a condition that allows complete safe access to customers and staff

Great vendors and great customers... what a winning combination...
