| #4----\$1797.75 | #8----\$962.00  | #12---\$716.20 |

Sales for the month of February were \$30,730.22. That is the highest February we have ever had! The store is looking so good! Booths are getting spiffed up and most are really looking nice. Thank you to those who have taken the time to clean out, vacuum, and dust your spaces. It really helps your sales and the image of the store.

**The staff have some suggestions for all vendors:**

If you have changed your phone number, please let us know!

Please check your voice mail, if it is full, we cannot leave you a message!

Please make sure you are using the **CORRECT** vendor number and not transposing numbers!

Remember if we cannot get hold of you **OR** if your tags are not correct you may lose sales!

Please remember that the back rooms, layaway area and the work room, are not for vendors to store items. If you have a piece or two that you need to drop off until the next day, PLEASE mark it with your name and the date you left it. Items cannot be left more than one day.

The good news is we are full both downstairs and upstairs! The bad news is because we are full any layaways or sold items will need to remain in your booth until there is space to move them out or they get picked up. We will be enforcing the 2 weeks hold after sales and will encourage customers to pick the items up sooner than the 2 weeks allowed. The area between aisle B and C now has an outline on the floor. That is to keep us within the fire codes. PLEASE ASK the staff before moving any item into the area!!!

Please check the back counter for the "GREAT UNTAGGED" items. When items are found with no tag, we try to keep it on the back counter for a week hoping they are claimed, and then transfer the items to the back room. If you are missing items, please check the list on the bulletin board of places to search and ask a staff member to show you where the untagged are kept.

**A few reminders:**

- **BOXES!!!** Yes, we need boxes!! But please, do not leave flimsy, display boxes; they are not usable, and I must dispose of them. Please do not leave boxes that are smaller than 12"x12"x5" deep.
- When you vacate a booth, it is your responsibility to vacuum and dust the booth as you vacate.
- Please keep your items within your booth parameters. When items are outside your booth, they become a tripping hazard and can easily be damaged by the furniture cart. **The edge of the side booth is the end of your booth.**

*Great vendors and great customers... what a winning combination...*
