Sales for the month of October were \$26,047.91! That is up over last October!! We sure appreciate all of you working so hard to make Keepers Corner a success!!

I'm sure by now you have read the letter on the policy changes and the raise for the booth rent. It is not something that we wanted to do, but rather had to do to come into compliance with state regulations.

November 1, we started the new way of doing business at Keepers Corner. Please be patient with all of us as we adjust to the new schedules and policies. I do want to make some clarifications: **#1**, Yes you can come behind the counter and check your files, talk to the staff, and sit and visit. **#2**, Yes, you can come in the store to shop and wander the aisles. **#3**, While you are in the store, you are free to help other vendors, answer questions from customers, and help customers with finding an item or a booth. **#4**, What has changed is that the staff **cannot ask you to help with the day-to-day running of the store**. It is still important that you come into the store often in order to keep your booth fresh and see what the sales trends are. If you have any questions on these changes, **PLEASE see Bonnie or Scott**.

If you have email, please give us your email address so we can keep in close contact with you about store concerns.

Welcome to our new vendors!!! We are very happy to have you with us! Get to know them, they are great people and have wonderful items!!

We are planning the Christmas Sale night for Wednesday, December 10, 2014. It will be from 5:00pm to 8:00pm. The store will close at 4 and then re-open at 5 for the sale. ALL ITEMS in the store will be 20% off those three hours. I have talked with the State Agency we are working with, and it is going to be fine to have vendor help for the 2-3 times a year we have special sales and open houses. So we would appreciate any extra help that night. Please let any of the staff know if you can help, so they can write it down. And as always, cookies, snack and other goodies are very much appreciated by the customers and other vendors!!!

*******EVERYONE!!! Please read these Reminders*******

- EVERYTHING in your booth needs to have a tag! If an item is not for sale, it still needs to be tagged with your vendor number and NOT FOR SALE. No TAG, No SALE!!!
- Just a reminder about tags, your vendor number on the top, brief description of the item in the center, and price on the bottom. Hang tags only, no sticky tags, please.
- Rent is due on the 1st of the month, payable up to the 10th and late with a \$10 late fee after that date
- Please keep all of your items inside of YOUR booth. Please stay within the boundaries and don't put your items in other booths just because it's open or you don't have room.
- If you are missing an item from your booth, please check with the staff for information on where to look
- A thirty day written notice is required when you are shrinking down or vacating your booth at the end of the month. The notice **MUST** be to us on or before the 1st day of the month you want to vacate. We **DO NOT** pro-rate at the end of your contract!

Scott's Thoughts: Many changes have come this month and we are really going to miss the vendors coming in to do vendor time. It was a time that we really got to know each of you better. Please come in often, work in your booths and let us know how you are doing. We have asked for the emails of those vendors who have them, so that we can communicate often with some of the things that are going on. For those without emails we will post a copy, in the store, of the information we have emailed out.

As always, "thanks for all you do."

Great vendors and great customers... what a winning combination.
