Sales for the month of October were \$21,353.37. We had good sales this month! Keeping those booths fresh, rotated and stocked is helping! Christmas shopping has already begun and several vendors have made the switch to Christmas!!

November and December are some of the busiest shopping times for the store. November has Black Friday and, yes, we are busy that day, usually about noon or so. The day after is Small Business Saturday and many of our loyal customers that shop with us on that day. We are putting out a coupon for Small Business Saturday and it will be good until December 31, 2017. The store is absorbing the 10%. The coupon will not be good with other offers. December 13, 2017 will be our Annual Christmas Sale, 10-6!!

We do want to welcome our new and returning vendors; we are excited you have joined us!

I always hesitate to put negative things in the newsletter, but there are a few things I need to address with all of you.

****I am asking that NO ONE** go through the tags in the tag box unless you ask the on-duty staff to help. That goes for off duty staff, spouses and all vendors. Over the last 2 months the postings have been off, with more tags than money, to the tune of \$79.00 which comes out of the store money!

****I have purchased a new vacuum for vendor use. PLEASE** empty the cup after **EACH** and **EVERY** use; I don't care if it only has a little bit of debris in the cup! **Please** see one of the staff before you use the vacuum the first time, and read the posted information.

****Please, please remember to fill your tags out correctly!** Put the **VENDOR** number at the **TOP**, **BRIEF DESCRIPTION** in the **CENTER** and the **PRICE** at the **BOTTOM**. **All on one side please!** I know some of the newer vendors were not told or given a policy sheet when you signed up, but please going forward fill the tags out as I have listed above. Remember tags are your money! **THANK YOU FROM THE STAFF!!!**

For Your Information:

- All Items in your booth **MUST** have a tag; if the item is not for sale, then please tag the item with your **vendor number** and **NFS**
- A thirty day written notice is required when you are **shrinking down** or **vacating** your booth at the end of the month. This applies when you are leaving after your initial six months **OR** at any other time after your 6 month commitment is over

Great vendors and great customers... what a winning combination.
