BEST OF THE BASIN!!! Keepers Corner won 1st Place in Antique and Vintage stores, 2nd place in Furniture Stores and 2nd place in Secondhand stores. **THANK YOU ALL** for keeping Keepers Corner on **TOP!!!** That is 4 years running we were the "number one" for Antique and Vintage Stores!!! The staff represented the store very well at the awards dinner. They told me they had a great time! I was so excited when they started posting pictures of them with the awards! Thank you to all the staff for always being such good representatives for Keepers Corner! You make us shine!

Scott and I want to give a big **THANK YOU** to the staff!! They handled the store, and any problems that arose, with ease. I really appreciate their efforts and time in my behalf, they make my job so much easier! I also owe a big "Thank you" to our daughter Patti Mensah for handling the payroll and vendor checks in April!!

The good news is we are very full!! The bad news (for some anyway) we are very full!! If you have large items that go on layaway or sell, PLEASE keep them in your booth. The consignment areas are full, and currently we are turning consignments away, so thank you for being understanding!

Please remember that the store hours are 10am to 6pm. So please stock and clean during those hours and do not make the staff work earlier or later for you to work your booth.

Another reminder, PLEASE do not leave used newspaper, plastic bags or Styrofoam in any form in the back room. We do not use those items and I must trash them.

We have said it over and over, and we are saying it again; PLEASE tag all items in your booth. WE are having a lot of items come to the front with no tags. TAGS=MONEY!!! If an item is not for sale, please tag it with your number and NFS (not for sale).
