 Welcome to our new vendors!!!  We are very happy to have you with us!  There are some new faces this month! Get to know some of them, they are wonderful people!

You are all so great!!!! We thank God every day that we have the opportunity to be associated with all of you. Our customers comment all the time about what a great atmosphere we have in the store, it is all of us working together that makes this a great place to shop and find fantastic bargains!!! We have been getting some VERY good reviews on Google, our customers love us!

Quick reminders:

- If you have lights, lamps etc. in your booth, please put them on a timer
- All Items in your booth **MUST** have a tag, if the item is not for sale, then please tag the item with your vendor number and **NFS**
- Please remember to keep your items out of the aisles. It becomes a safety and fire code violation if your items are out of the parameters of your booth. Plus, you run the risk of an item getting damaged.
- Boxes are appreciated, but please take the wrapping paper and plastic bags home with you. We do not use newspaper or used plastic bags to wrap items. **THANK YOU!!!**
- A thirty day written notice is required when you are **shrinking down** or **vacating** your booth at the end of the month. This applies when you are leaving after your initial six months **OR** at any other time after your 6 month commitment is over
- Ask the management about the "Finder's Fee" bonus!! Earn up to \$100.00 towards your booth rent.

**Scott and Bonnie will be gone for most of July.** Our super staff will be filling in for us. Please give them your support as you do for us. The postings may not get done every day. Please be patient if you need to wait a day or two to check your sales.

**Please remember** that staff members have the discretion to handle all situations that arise. **Please do not interfere** when they are explaining situations to customers, and please, don't tell any of the staff "that isn't the way Bonnie does it." Even if you think you know the answer, please just ask the customer to wait and let the staff take care of it. They have the power to make decisions as needed. The staff also has the most up-to-date information on store policy, and they need to be the ones to explain policy to the customers. We trust them to do whatever is the best for all of us!!!

**Merchandise tags continue to be an issue;** please remember to put your vendor number on the top of the tag, a brief description of the item in the center and the price on the bottom of the tag. **ALL** of the information we ask for needs to be on the same side of the tag. **Please do not use sticky tags or write on the item!! The staff does not have the time to re-write sales tags.** If you are still unsure about how to fill tags out ask a member of management for a Policy Sheet. Another reminder: please remove garage sale and thrift-store tags. **POLICY INFORMATION** sheets are hanging on the daily sales boxes, please read them.

***Scott's Thoughts:** Well as you can see from above, Bonnie and I will be heading to Memphis, TN for a conference. When I return I will be a mood to FISH, FISH, and FISH!!! Want to go? Call me or let me know. I really enjoy taking young people with mom and dad also. I have all the equipment... all you need is your lunch and a license.*

*Great vendors and great customers... what a winning combination.*
